2016: Updated the guide with a starter build for the Season 8 free set, Natalya's Vengeance. Jewelry has a huge influence on your DPS, but similarly to weapons it is expensive to gamble (50 shards for rings, 100 for amulets). Boon of the Hoarder — synergizing with other farming mainstays like Avarice Band and Goldwrap, this gem will not only keep you rich, but also speed up and safe during normal rift farming. Fortunately the Marauder can easily access great tanking stats like resistances, armor and health, all the while having plenty of damage dealing options. There are two Demon Hunter-specific bracers Wraps of Clarity and Trag'Oul Coils, but only the former is sought after in the current metagame. 03 Jul. 13 Mar. 2020: Added the Gears of Dreadlands beginner guide. 2017: Updated the guide for Season 9. They are Sith Marauder and Sith Juggernaut. Primary Focus: Single Saber / Heavy Armor Fear and Darkside Auras Tank or Single Saber DPS The second specialization... Kanaï's Cube Kanaï's Cube choices are highly build- and content-specific, making them hard to summarize. 2020: Reviewed for Season 20. 16 May 2019: Updated for Season 17. Demon Hunters are among the classes that can benefit from Gloves of Worship, as the armor Cube slots of their preferred farming specs are flexible enough to fit the item in. If you simply use the rolls below however, and roll for skill damage on the applicable pieces: Chakram, Impale, Rapid Fire, Elemental Arrow, Strafe, Cluster Arrow, Multishot on helms and boots; Fan of Knives, Companion, Spike Trap, Sentry, Rain of Vengeance on shoulders and chest; Hungering Arrow, Bolas, Entangling Shot, Grenade, Evasive Fire on belt and pants. They are very versatile and can be built in a variety of ways, although most players prefer a combination of tanky and DPS stats. 19 Oct. After leveling several characters and even more full respects I've had trouble finding a fun and effective build that I wanted to play with. Demon Hunters have decent support character potential, with several party-wide damage buffs and plenty of damage reduction to add to the group, making Illusory Boots reasonably attractive to the class. 2019: Updated for Season 18. Demon Hunter Natalya's Vengeance fresh 70 starter build Demon Hunter Gears of Dreadlands fresh 70 starter build Demon Hunter Unhallowed Essence fresh 70 starter build Demon Hunter The Shadow's Mantle fresh 70 starter build 3. Haedrig's Gifts are cache-like rewards that drop 2 pieces of a fixed class-specific set after completing chapters II, III, and IV of the Seasonal Journey. When you stumble upon jewelry with good primary stats and a socket, you should start dabbling into Legendary Gems. Having a full 6-piece set bonus available to you will skyrocket your character's power well in the mid-to-high Torments. Wherever it says 'Elemental damage', match it to the rune of your damaging skill of choice. 2016: Updated the guide to include leveling, a better fresh 70 setup and Haedrig's Gift use tips. The following is a list of such items, in order of importance for the class. 20 Sep. In the long run, you will want to find Aquila Cuirass, Shi Mizu's Haori and Cindercoat (chest pieces); Leoric's Crown and Visage of Gunes (helms); Depth Diggers and Hexing Pants of Mr. Yan (pants); Mantle of Channeling (shoulders); Stone Gauntlets (gloves). Demon Hunter Embodiment of the Marauder fresh 70 starter build 2.3. Other Starter Builds While you get a fixed free set at the start of every Season, it is not unreasonable to assume you will attain other sets in quick succession. 2018: Updated the guide for Season 13. Bows, One- and Two-Handed Crossbows are the Demon Hunter-specific weapons you can easily target through upgrading rares, with valuable and build-defining pieces such as Yang's Recurve, Odyssey's End, Manticore, Wojahni Assaulter, Dawn, Valla's Bequest and Fortress Ballista. Sith Juggernauts were known to primarily wield one lightsaber in combat, and were frequently adept at using the Force to cause terror and despair in enemy combatants. 2019: Overhauled the guide and updated it for Season 19. 4. We have an early progression build for this set, which you can find by clicking the link below. Illusory Boots are an Act II cache legendary item that removes enemy collision — a staple of support builds in Greater Rifts, as their precise positioning for party-wide buffs and enemy disables dictates the course of Greater Rift progress. Demon Hunters also have two dedicated daggers, Lord Greenstone's Fan and Karlei's Point, and can benefit from the cooldown-resetting In-geom. Diablo 3 Follower Guide 9. Reaper's Wraps are meant to assist classes and builds with resource management problems — and Hatred is often something fledgling Demon Hunters struggle with. 10 Dec. 04 Aug. Progression (Seasonal or Not Seasonal) 2.1. Leveling Build Your progression on a given character always start with leveling to 70. You will be pricing this gem either through its own level 25 ability, a slow (for melee builds), or by skill effects such as Thrill of the Hunt or Sentry Polar Station. 08 Nov. Avarice Band is an Act III cache legendary ring that extends your pickup radius by up to 30 yards as you pick up gold. 23 Jul. So you must adapt depending on the situation in-game. While it might not be immediately useful, obtaining powerful bonuses (such as the 4- and 6-piece set bonuses of any set) as early as possible for a huge spike in character power is an opportunity you should not pass up. 14 Jun. Taeguk is a great addition to a channeling Demon Hunter, which you will be by using anything Strafe- or Rapid Fire-related. The Hope of Cain recipe (1 rare item, 25 Death's Breaths, 50 of white, blue and yellow crafting materials) will only produce the type of item you put in (i.e. hand crossbows), cutting out all other weapons from the RNG pool that you would have to deal with through regular gambling at Kadala. All three jewelry sets can be utilized by Demon Hunters, in order of importance: the Bastions of Will set, Focus and Restraint, the Endless Walk set, The Compass Rose and The Traveler's Pledge, and the Legacy of Nightmares set, Litany of the Undaunted and The Walling Host. This makes the early portion of the Seasonal Journey your first priority upon reaching Level 70. The guide also includes a section for Seasonal Demon Hunters, explaining how best to take advantage of the free set from Haedrig's Gifts. 2020: Reviewed for Season 21. Changelog 14 Apr. This is an easy trigger if you keep an eye on the battlefield, especially if you are used to Blood Vengeance. Most remaining armor slots only have one or two desirable items for Demon Hunters. Wonders both mechanical and supernatural stand by your side, as powers of shadow itself envelop and protect you. Demon Hunter leveling build guide 2.2. Haedrig Gifts' Season 26 Starter Build After reaching Level 70, the easiest way to start gearing up and progressing towards the end-game is by using the set given by the Haedrig's Gifts. Stats To Strive For The table below is meant to point you in a general correct direction and is by no means indicative of the exact rolls you want to go for. Gloves of Worship are an Act II cache legendary that extends the duration of Shrines to 10 minutes, a very decent farming effect that is usually stored in Kanaï's Cube. 2019: Updated for Season 16. 2021: Reviewed for Season 23. Please keep in mind that this is a general terran unit strategy guide, it is based on pure unit statistics and my own experience. These bracers restore up to 30% of your Hatred reserves when you get healed by a health globe, capped at once every 2 seconds. 23 Aug. Certain items can be targeted through the completion of bounties or boss kills. Please refer to our Kanaï's Cube guide for more information. It includes advice and tactics related to gambling Blood Shards, doing Bounties, Regular, Greater and Challenge Rifts, and using Kanaï's Cube for easy upgrades. Some are dedicated Demon Hunter legends like Zoey's Secret, Hellcat Waistguard, Hunter's Wrath, Chain of Shadows and Crashing Rain. This is the wrong way of thinking. Generally speaking, Demon Hunters should store the powers of the following items in the Cube as soon as they have the materials available: Dawn, Valla's Bequest, Manticore, Wojahni Assaulter, Odyssey's End, Yang's Recurve, Karlei's Point, Lord Greenstone's Fan, In-geom, Aquila Cuirass, Cindercoat, Visage of Gunes, The Cloak of the Garwulf, Zoey's Secret, Convention of Elements, Avarice Band and Ring of Royal Grandeur. Their powers combined, they can render your character practically invulnerable even in the highest of Torment difficulties. The combined power of Empowered Shrines (doubled resource gain, halved cooldowns), Frenzied Shrines (25% Attack Speed) and Fleeting Shrines (25% increase to Movement Speed and 20 yard pickup radius), often refreshing before their 10-minute duration, is a huge buff during normal rifts. If you are interested in switching around your playstyle, take a look at the beginner points for other sets below, and note to which endgame builds they point you after. The majority of the gear will be found by random chance as you farm normally, by killing monsters, opening chests, gambling at Kadala and upgrading rare items at the Cube. Show more Show less 25 for armor pieces and off-hands), you should delay weapon gambling — avoiding it at the start of character progression and only considering it when you start perfecting your gear. To help you with that, we have a beginner leveling build that you can access using the link below. In this guide I will give detailed information for Terran players to counter every Starcraft 2 Zerg units. 2017: Updated the guide with a starter build for the Season 10 free set, Embodiment of the Marauder. You can also gain significant value from speedrun staples like Nemesis Bracers and Warzechian Armguards, so the slot can be gambled on with moderation. 18 Jan. The weapon is by far the most impactful item on your damage output, putting a priority on the weapon slot as the first to obtain an ancient item for. 05 Jan. 20 Jan. Being another cheap gamble slot, you can invest a reasonable amount of Blood Shards into belts early on. Gems Your armor and weapon sockets should be taken up by the highest tier Emerald gems you can afford at the time, while the helm is best filled by a Diamond gem for a boost to Cooldown Reduction. 20 Nov. 2021: Revised for Season 25. 01 Jul. Choose the Demon Hunter in Diablo 3 if you enjoy destroying your enemy from afar, alternating piercing arrows with massive explosive barrages. 7. 2017: Updated the guide for Season 11. Kanaï's Cube guide 8. 2021: Reviewed for Season 24. The Kanaï's Cube can be used for much more than simply extracting Legendary powers from items. Ring of Royal Grandeur is a legendary from Act I caches that reduces the number of set items required for set bonuses by one. While the list below is not exhaustive, these are some of the pieces to seek, spend blood shards on, or upgrade yellows for — in order of priority. Sets: While the seasonal jewelry will reward you with a complete set through Haedrig's Gifts, gambling for armor set pieces still makes sense — to improve lackluster pieces, or complete class sets other than the gifted one. Quivers are almost equally important to their weapon companions, and it is recommended to gamble for them even early on due to their low Blood Shard price. Mastering your hatred for demons through discipline alone, you are the ultimate sharpshooter of the game. A well equipped character using this dagger can oneshot entire screens of enemies in a suitable farming difficulty. The Legendary Gems to consider for Demon Hunters are, in order of importance: Bane of the Trapped — staple multiplicative damage increase. Below I'll go over a few proven builds that players have found to be effective. Others are cross-class legends that got picked up either for endgame or speedfarming, like The Witching Hour and Goldwrap. In Season 26, Demon Hunters will find the Embodiment of the Marauder set in their Haedrig's Gifts. 2022: Revised for Season 26. The Marauder is the melee brute in Path of Exile. Published 7 Welcome to our list of Marauder builds for the Sentinel league of Path of Exile (3.18). 2. 02 Apr. 2018: Updated the guide for Season 14. Bane of the Powerful — the speedfarm counterpart to Bane of the Stricken, Bane of the Powerful offers a solid overall damage and survivability increase as long as your killing speed does not fall behind the timer of the gem. This unassuming bonus has the potential to turn in the strongest source of defense during normal rifts due to its synergy with Boon of the Hoarder and Goldwrap. 2017: Updated the guide for Season 12. Envious Blade is an Act II cache dagger with one of the most powerful speedfarming bonuses in the game — a guaranteed Critical Hit against enemies at full health. Demon Hunters fight at a high range most of the time, making Pride's Fall an attractive bounty item. Bane of the Stricken — almost mandatory gem for Greater Rift progression, as it is designed to whittle down the scaling health numbers of monsters with a percentage-based increase on successive attacks. Note that these bracers are craftable, and the plan for their creation drops when you kill the Act V boss Malthael on any difficulty. Due to its higher Blood Shard cost (75 for weapons vs. In this guide I will give detailed information for Terran players to counter every Starcraft 2 Protoss units. Powerful and build altering off-hands include Dead Man's Legacy, Bombardier's Rucksack, Holy Point Shot, The Ninth Cirt Satchel and Sin Seekers. Everyone hates mirror matches, you feel like no matter what you do, your opponent can do the same, what's the point? Pride's Fall is a helm obtained through Act III cache bounties, whose legendary effect reduces resource costs by 30% after not taking damage for 5 seconds. 1. Situational gems — Zei's Stone of Vengeance is a multiplicative damage increase to long range builds. Doing bounties will be inevitable for crafting materials anyway, so optimize your farming time and get this ring as soon as possible. Since Demon Hunters can not dual wield melee weapons and their weapon slots are frequently taken by more important legends, Envious Blade is not considered a cache priority. Juggernaut Sith Juggernauts are Sith specialized in combat endurance and were known for wearing armor that provided them special protection in battle. Demon Hunters pursue several legendary belts, each adding considerable protection or damage to its respective build. 22 Nov. Please keep in mind that this is a general terran unit strategy guide, it is based on pure unit statistics. Why choose the Demon Hunter? Yes, you're playing against the same race, but you still have the choice of units.
